

GROUNDS SUGGESTION FORM

This form is intended to capture suggestions relating exclusively to vegetation on the Avalon Village grounds. Requests made using this form will be given priority over other requests.

I would like to suggest that the following grounds item be addressed by Avalon Management.*

Description of maintenance/improvement:

Location of suggested work: _____

Date: _____

Resident Signature: _____

*Many suggestions are received and work is prioritized according to a number of factors. If you are curious as to where your request stands on the priority list, please call.
